Meet the Zoo's newest bundle of joy!

The Fort Worth Zoo welcomed a male Asian elephant calf on Oct. 21, 2021.

This birth, a major triumph for this

endangered species, is the fourth elephant birth in the Fort Worth Zoo's 112-year history.

The calf was born at 11:35 p.m. on Oct. 21 after a 22-month gestation. He weighs 255 pounds and stands 37 inches tall. Both mother (22-year-old Bluebonnet) and baby are doing well. The initial bonding between an elephant calf and its mother is vital to a successful rearing. As the calf gets acclimated to his surroundings, he will be viewable at various times during the day. Those times will be dictated by his growth as well as outside temperatures and weather.

Elephant Springs is the second phase of A Wilder Vision and opened to the public on April 15, 2021. Almost tripling its original size, this updated habitat serves as the home to the Asian elephant herd, which includes a three-generation family. The addition of multiple, expanded yards and varied habitats helped to enhance the Zoo's successful breeding program. These improvements allow the herd numerous enrichment opportunities with multiple pools and yards. The Fort Worth Zoo intends to remain at the forefront of elephant conservation and management. *Elephant Springs* allows the Zoo to further this leadership role and guarantee the survival of these magnificent creatures for generations to come.

Our Town - Dallas Theater Center

Kalita Humphreys Theater
January 27 - February 20

One of the most beloved American plays ever written, Our Town follows the Webb and Gibbs families as their children fall in love, marry and eventually—in one of the most famous scenes in American theater—die. Narrated by a stage manager and performed with minimal props and sets, Our Town depicts the fictional small town of Grover's Corners, New Hampshire, through three acts: "Daily Life," "Love and Marriage" and "Death and Eternity." In the next step for a play that Wilder conceived from the beginning as a play about everywhere, this version is in three languages—English, Spanish and Creole. Filled with live music and infused with layers of culture and community, this special production celebrates Grover's Corners as an international address and finds the shared humanity in all its inhabitants.
